

Homelessness and Affordable Housing in the NWT

Dr. Frances Abele Principal Investigator

Nick Falvo Co-Investigator

Arlene Haché Co-Investigator

Problem

- Lack of affordable housing
- High cost of building
- Expiring operating agreements
- Homelessness

Research Objectives

 Provide an overview of homelessness in Yellowknife

→ Broad dissemination

Research Objectives (cont'd)

2. Provide a historical account of public housing in the NWT

→ Journal Article

Research Questions

 What have been some key factors motivating the state to build public housing in the NWT?

- To what extent has the state responded to the need for public housing since WWII?
- What differentiates public housing in the NWT from public housing in the south of Canada?

Research Questions (cont'd)

How effective has this response been?

 What have been some shortcomings to this response?

 What could the state do differently and better?

Research Questions (cont'd)

 What are some of the most visible manifestations of homelessness in Yellowknife?

 What are some factors that make homelessness in Yellowknife different from homelessness in other Canadian municipalities?

Research Questions (cont'd)

 What have been the major policy responses to homelessness in Yellowknife?

To what extent have they been effective?

What could be done differently and better?

Methodology

Lit Review

Semi-structured, key informant interviews

 No client interviews in order to not duplicate other recent research

Time Frame

May '09 – Feb '10: Lit Review

Aug '09: Field Work

Feb '10: Field Work

Time Frame (cont'd)

Feb '10 – Jan '11: Writing

Jul '10: 1st Draft of Homelessness Article

Jul '11: 1st Draft of Public Housing Article

Dissemination

 Policy paper to be released at a Yellowknife press conference, featuring community participation
